

## VIETNAM VETERANS MONUMENT

Northern California Veterans Cemetery, Igo, CA

### VIETNAM VETERAN DOG TAG PLAQUE ORDER FORM

As part of the fundraising for this Monument we have established a Veteran Dog Tag Plaque Program. This allows Donors an opportunity to contribute to the Monument by purchasing a pair of Dog Tag Plaques dedicated to their Veteran. One plaque will be displayed along the pathway to the Monument. The second will be retained by the Donor as a reminder of their Veteran's service to our Country. The Dog Tag Plaques will be 4" x 2.25" stainless steel, embossed with the Veteran's Name, Branch of Service and Service Dates.

Completion of this program, will allow up to 3000 Vietnam Veterans to become a permanent part of the Monument.
